Agenda Note 3 : Review of Common Maintenance Charges of society.

The estimated expenditure of the society on various heads were discussed. After detailed deliberations, the monthly common maintenance charges of society was fixed to Rs.3,400/- for all the members, which will be reviewed by the RWA after six months as per actual expenditure. The common maintenance charges shall be demanded in advance on quarterly basis.

The rate of interest applicable on delay in payment of common maintenance charges from Oct'2020 onwards shall be @15% simple interest p.a. till date of payment.

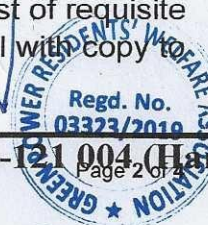

It was intimated to all the members that No Objection Certificate of the Fire Safety System installed in the society is due for renewal in next year. Matter was discussed in the meeting. However, it was suggested that the financial implication involved in renewal of Fire safety system be looked into. The matter of obtaining the building insurance policy of society was also discussed and agreed by the members to go for the same. Mr. R. S. Rawat of GPWS has intimated that consent of M/s SLF Anushree Apartment is required before taking the building insurance policy. Provision for renewal of NOC of fire safety system and obtaining the insurance policy of society building has been kept in the common maintenance charges and approved by members.

Agenda Note 4: Action plan for outstanding Common Maintenance Charges and interest on delay in payment of CMC.

The matter of non-payment of common maintenance charges by some of the members was discussed in the detail and those members, who have not paid the common maintenance charges, were requested to pay the due amount at the earliest for smooth running and maintenance of the society. The rate of interest applicable on the outstanding amount of common maintenance charges shall be 18 % p.a. up to 30.09.2020 and thereafter interest @ 15% p.a. will be charged w.e.f 01.10.2020.

Agenda Note 5 : Non handing over of documents by the Green Power Welfare Society as per Agenda Note No.7 of the Sixth AGM dated 19.05.2019 of Green Power Welfare Society.

As per Agenda Note-7 of the Sixth AGM of Green Power Welfare Society held on 19.05.2019, "Contract Agreements, Specifications and issued Drawings" were to be handed by the GPWS to RWA. GPWS has handed over only 28 drawings consisting structural drawings and some layouts only. However, the Contract Agreements, Specifications and the documents/drawings relating to approved plan of the society by the DTCP has not been provided. It was decided during the AGM that a list of requisite documents to be sent by the RWA to the GPWS through e-mail with copy to all the members.

Agenda Note 6: Non completion of pending works and non-providing the copy of MOU's dated 04.09.2011 and 11.02.2020 entered with M/s SLF Anushree Apartments by Green Power Welfare Society.

The issue of pending works was discussed in detail with the executive body members of GPWS. It was intimated to the members that after long persuasion of RWA, installation of CCTV Cameras, construction of one common toilet in Stilt Area, Installation of benches and Repair of Entry & Exit gates of the society only have been carried out by the GPWS during last two years and work order for providing of pre-paid system in the electricity meters installed in the society has been issued on 02.10.2020.

However, the following major works are still pending:

1. One DG set of 365 KVA.
2. Facilities for each top floor flat i.e. three AC for each flat.
3. Path way for both tower at stilt area.
4. Interlocking tiles to the adjoining tower.
5. Ramp work for stilt level parking.
6. Door at Garbage Shoot Opening at Stilt Area of both Tower.
7. Covering to front two shafts situated in Garden and back side of panel.
8. Bitumen treatment of all the construction joints.
9. Completion of earthling work and covering the earthling plates in surrounding area of towers.
10. Completion of pending works and commissioning of STP.
11. Painting work of ventilation shafts of both the towers.
12. Covering of gap between both the towers.
13. Development of Tower Entrance Lobby by providing Marble/Granite cladding/Acrylic Emulsion.
14. Completion of pending works of Fire Fighting and Solar Water Heater System.
15. Installation of lights surrounding the parks as per approved plan.

Members were apprised that all the pending works are necessary and needs to be completed at the earliest. However, it was insisted by the members that some works like installation of DG set, construction of ramps for stilt area parking, providing interlocking tiles and Completion of pending works of STP and Fire Fighting Systems are needs to be completed on top priority.

The executive body members of GPWS were requested to submit the time line for completion of pending works. Representative of GPWS intimated to the house that about 44 members have paid their final demand raised by M/s SLF for registration of flats. They have further intimated that estimate for the work of construction of ramps for stilt area parking and providing interlocking tiles has been prepared by them and these works will be taken-up soon. They have also assured to the members that all the pending works will be completed as and when the dues will be received from the members.

With regard to providing the copy of MOU's dated 04.09.2011 and 11.02.2020 entered with M/s SLF Anushree Apartments by Green Power Welfare Society to all the members, GPWS has stated that these documents can't be provided to all the members. Members asked to GPWS executive body to provide the copy of these MOU's executed on behalf of members to all the members.

Agenda Note No.7: Any other agenda points proposed by the members.

The issues of non-clearance of store constructed on the stilt area parking's, non-providing of AC in the top floors, some pending works in flats etc. pertaining to GPWS were raised by the members. Executive Body members of GPWS assured to the members that they will attend these issues at the earliest.

One of the members raised the issue of seepage in his flat. RWA intimated to the members that problem of seepage is common in most of the flats due to poor plumbing works. RWA assured the member to address his problem. GPWS suggested to RWA for cleaning of Solar panel installed on the roof top. RWA informed to the members that cleaning of solar panels is being carried out regularly.

The efforts made by RWA for maintenance of Society and its overall development were appreciated by the members.

The meeting ended with the vote of thanks to the each and every member of society for their active participation in the meeting, valuable suggestions and immense support provided to the RWA in smooth running of the society.

These minutes are being issued in accordance with the discussions held in the meeting and the approval's accorded by the members in the AGM.

With Regards,
