Date: 26.11.2023

To,

All the members
Green Power Resident Welfare Association
Sector-75 Faridabad 121004

Subject: Minutes of 4th Annual General Meeting of Green Power Resident Welfare Association held on 18.11.2023.

The 4th Annual General Meeting of GPRWA, Sector 75 Faridabad was held on 18.11.2023 on hybrid mode i.e. virtual platform as well as on physical presence of members where Agenda points circulated by the GPRWA well before AGM, were discussed and following decisions, agenda wise, were taken with the approval of members: -

1. Agenda Point 1 : Adoption of RWA Accounts for FY 2022-23

Accounts for FY 2022-23 were produced and apprised to the members. All the section of balance sheet profit and loss account were discussed and it was apprised to the members that Rs. 10,00,000.00 is lying with the bank in the form of FD and cash bank balance of Rs. 12,05,962.00 is available as on 17.11.2023. GPRWA. Copy of account ending March 2023 is enclosed.

It was apprised to the members that expenditure of Rs. 16 Lakh increased in FY 2022-2023 as compare to the last year ,mainly on account of insurance premium paid for building, Repair & Maintenance of society , HT line maintenance, Painting works of Society Building,. During the meeting it was expressed that following will be major upcoming expenditure: -

1. Conversion of DG set in to dual fuel mode i.e. diesel and PNG.
2. STP maintenance and round the clock security duties.
3. Disposal of STP waste.
4. Other R&M works.

2. Agenda Point 2 : Review of Common Maintenance Charges of Society

The agenda point was discussed extensively during the meeting and it was apprised to the members that since last three years the maintenance charges of Rs. 3400/- Per Month had not been increased despite increase/hike in wages for R&M staff as well as Security Guards. The increase in the wages has been met out from the available funds of the RWA, therefore, it is necessary to increase the Common Maintenance Charges (CMC) with immediate effect.

It was agreed in the AGM to increase in CMC from Rs. 3400/- PM to Rs. 3700/- PM w.e.f. 1st January 2024.

3. Agenda Point 3: Action Plan for outstanding Common Maintenance Charges and interest on delay in payment of CMC.

In the meeting said issue was raised by the current RWA executive body for the outstanding CMC piled up and it was urged to make action plan for recovery of the same. It was placed before the AGM that presently 14 members are there whose dues are of considerable amount i.e. above Rs. 40,000/-. The name of above 14 persons were read out during the meeting and request was made to deposit the same at the earliest so that the pending work for development of society and its surrounding can be taken up.

In order to proceed with the recovery as per the provisions of Builder – Buyer Agreement (BBA) and RWA Bye Laws. it was unanimously decided during the AGM that RWA shall issue a final notice to all the members (whose CMC more than Rs.40,000/- is due) mentioning relevant applicable clause of BBA and specific GPRWA rules. The notice shall be issued to all the defaulters by 30th November 2023 for clearing dues with interest within one month time failing which further course of action as per rules/ laws should be taken.

4. Agenda Point 4: Review of pending works under the scope of Green Power Welfare Society (GPWS)

In the AGM, issue of purchase of 2nd DG, which was admittedly within the scope of GPWS, was raised. It was stated in the meeting that time and again GPWS has stated that as and when the funds will be there the DG set will be provided but no definite time line has been given which is not only delaying the purchase but resulting increase in cost. However, during the meeting it transpires that approximately Rs.20.00 Lakhs is available with GPWS and if RWA is agreed the said amount can be transferred in the account of RWA. Upon which apprehension was expressed by the members of RWA that the GPWS may avoid its obligation for providing 2nd DG to the RWA once the amount as mentioned above stand transferred to RWA. Keeping in view the above apprehension it was decided that the said amount can be accepted if GPWS give an undertaking that as and when the fund is available the amount will be provided to the RWA or the DG will be purchased.

It was decided that a joint meeting of GPRWA and GPWS may be held so that the pending issues can be resolved amicably at the earliest.

5. Agenda Point 5: Construction of Club House in society premises and other Developmental works

Kind attention was drawn by the members on the requirement of construction of the Community Hall / Multipurpose Hall in society premises. It was agreed that Multipurpose Hall is deeply/essentially required for organising various Functions / Parties.

In this regard, it was decided that a demand of Rs. 5000/- per flat may be raised with the CMC demand for fourth quarter of FY2023-24 as token of acceptance of the proposal for construction of Multipurpose Hall.

6. Agenda Point 6: Conversion of DG Set in dual fuel mode and retro fitted ECD through certified vendor/ agency in compliance of Directions of Pollution Control Board, Haryana

The members / residents were apprised that society has received a notice from Pollution Control Board, Haryana for mandatory conversion of present DG Set in dual fuel mode and retro fitted ECD through certified vendor/agency. Dual fuel mode means providing PNG as a fuel in addition to the presently available fuel mode i.e. diesel. In this regard it was appraised to the members that M/s PAL Engineers has been contacted in this regard who supplied the presently installed DG set who is also the certified agency for the above conversion. M/s PAL Engineers has given a tentative estimate of around Rs. 10 Lakhs for the entire work.

The work is to be carried out immediately being statutory compliance and the time limit given by Pollution Control Board has already expired, it was decided that for the said purpose demand of Rs. 7000/ per member for the contribution shall be raised immediately. It was decided that a demand in this regard shall be issued at the earliest.

7. Agenda Point 7: Introduction of payment of Rs. 50,000/- by the flat owner to GPRWA at the time selling the flat

It was decided by the members that Rs. 50,000/- or the amount as per direction of Hon'ble Supreme Court shall be charged from the owner of the flat on sale of the flat in the Green Power Society. It was also discussed that no NOC will be issued by GPRWA unless the said amount is deposited in the account of GPRWA.

Further, it was resolved that the resale transaction within the blood relations i.e. son/daughter/brother/sister and spouse will be exempted from the payment of Rs.50,000/- on re-sale. It was also decided that closed cases shall not to be re-opened.
