Ref. MoM/GPRWA/AGM/2024-25

Date: 02/12/2024

To,

All The Members
Green Power Residents' Welfare Association
Sector-75, Faridabad-121004 (Haryana)

Subject: Minutes of 5th Annual General Meeting of Green Power Residents' Welfare Association held on 17.11.2024 (Sunday).

The 5th Annual General Meeting of Green Power Residents' Welfare Association, Sector-75, Faridabad-121004 (Haryana) was held on 17.11.2024 (Sunday) at 11.00AM in the premises of the society. The agenda points for the said meeting were circulated on 02.11.2024 through mail for prior information to all residents. Following points were discussed and resolved in the AGM: -

Agenda Point 1: Adoption of RWA accounts for FY 2023-24 & appointment of Auditor for the year 2024-25

Accounts for FY 2023-24 were produced and apprised to the members. All the sections of balance sheet profit and loss account were discussed and it was apprised to the members that Rs. 10,00,000/- (Ten Lakhs) is lying deposited in the in the form of Fixed deposit and cash balance of Rs.29,394/- and bank balance of Rs.17,88,368/- is available as on 31.03.2024. Copy of account ending March 2024 is enclosed.

Agenda Point 2: Review of Common Maintenance Charges of the society

The agenda point was deliberated during the meeting. During the discussion it was apprised that increase in CMC is inevitable looking into the current & upcoming expenses of the society. Members were also apprised that there is yearly 10% increase in the wages of R&M Staff and Security Guards. Also, there is significant increase in R&M cost and consumables because society building is getting old. Hence, members agreed to increase CMC from 3700/- to 4100/- per month w.e.f. 1st January, 2025. It was also decided that CMC be raised monthly through gateway of meter recharge. While recharging an electric meter, pending CMC (with interest if any) will be adjusted before the electricity charges.

Agenda Point 3: Pending issues as approved in last AGM

1. The members were informed that an award letter was issued to Cummins India Ltd. in December 2023 for the supply of a Retrofitted Emission Control Device (RECD) kit to ensure compliance with Pollution Control Board (PCB) norms for existing Diesel Generator (DG) set. An advance payment was also made for the same.

However, the supply has been delayed due to the ongoing approval process of the RECD kit by the PCB, as informed by the manufacturer. RWA is pursuing the matter with the supplier to expedite the installation, failing which it will be forced to cancel the order.

- II. Additionally, members were reminded that as per the decision taken in the 4th Annual General Meeting (AGM), each member was required to contribute Rs. 7,000 towards the RECD kit installation. Unfortunately, only 70% of the members have paid their contribution so far.

The members have also authorized the governing body to send notices to the defaulting members, emphasizing the importance of complying with the National Green Tribunal (NGT) guidelines. Furthermore, it was resolved that the pending contributions along with interest will be added to the electric meter recharge gateway, as discussed in agenda point no. 02.

- II. Members were apprised that due to shortage of funds construction of Multipurpose Hall in the society premises could not materialize. However, members agreed that provisions may be made to construct a multipurpose hall. Also, face lift of the society needs to be done in the purview of the developmental works.

Agenda Point 4: Action plan for outstanding Common Maintenance Charges and interest on delay in payment of CMC

In the meeting said issue was raised and it was informed that approx. Rs. 35,000,00/- (Thirty-Five Lakhs) is pending as dues & CMC by defaulting members, due to which society works are hindered and developmental works are pending. Further, the names of 20 defaulting members were read out, whose dues are 50,000/- or more. Two members immediately cleared their dues during the course of the meeting, whereas 18 members are still defaulting the due payment. It was decided in the meeting to send legal notice to all defaulting members who are not paying long pending dues/ CMC despite reminders and notices. In the meeting it was also resolved that if the defaulters still don't pay the pending dues/ CMC, then in that case action should be initiated against them as per the rules under the Societies Act/By-Laws of the society with an intimation to the Registrar of Societies.

Agenda Point 5: Review of pending works under the scope of Green Power Welfare Society/ Builder (SLF Anushree Apartments)

- I. In the AGM, issue of pending works under the scope of Green Power Welfare Society/ Builder (SLF Anushree Apartments) was raised. Especially, it was informed that installation of 2nd DG as per the norms of the NGT is necessary and which is to be installed by Green Power Welfare Society/ Builder. It was resolved in the meeting that as GPWS had proposed in the 4th AGM to transfer

Rs.20 Lakhs or more lying in GPWS bank account to GPRWA. The said amount or more should be received in the GPRWA bank account with a pre-condition that rest amount of 2nd DG set/ pending works will be paid by GPWS/Builder to GPRWA at the earliest to buy the 2nd DG as provision of agreement. Also, the house resolved that the governing body should approach GPWS/ Builder (SLF Anushree Apartments) regarding the Bank Guarantees that can be encashed and the encashed amount should be taken into GPRWA bank account.

- II. It was informed that STP connection with the Main Sewer Line, Permanent water supply connection and STROM water connection are the pending works that are in the scope of Green Power Welfare Society/ Builder (SLF Anushree Apartments). As per NGT guidelines these are mandatory compliances. Several mails/ notices were sent to GPWS/Builder for complying the above mentioned NGT guidelines but none of the two parties responded to GPRWA mails/notices. Members were informed that GPRWA had proposed through mail that if GPWS/Builder are not taking up the said work then GPRWA will get the said works done on their behalf and expenditure incurred should be reimbursed to GPRWA. Hence, the work of STP connection with the Main Sewer Line was completed by GPRWA and bill was sent to GPWS/Builder but the reimbursement of said work is still pending. Similarly, permanent water supply connection and STROM water connection work needs to be complied by GPWS/Builder. Members resolved that if GPWS/Builder don't heed to GPRWA request in this connection then as done in the case of STP connection with the Main Sewer Line, the same can be taken up by GPRWA and the bills for the job done, may be presented to GPWS/Builder for reimbursement. Also, concerned competent authority should be informed that GPWS/Builder are not complying to the provisions of the agreement and the competent authority should be asked to hold the BG of GPWS/Builder for said works.

Agenda Point 6: Essential/ Immediate Capital Works for running the society, cost to be shared by the flat owners

It was informed in the AGM that essential and immediate capital works viz; Damaged Balcony outer plaster works, drinking water piping system, harvesting piping system, other piping works, Painting of building etc. need to be repaired/ replaced immediately on priority. For the said works a tentative estimate of 1,52,000,00/- (One crore Fifty-Two Lakhs) by Berger Paints was presented before the members. Therefore, it was resolved in the AGM that the said capital works need to be taken up on priority basis and an amount of Rs.1,00,000/- (One Lakh) per flat should be raised to complete the work. It was also decided that the amount of Rs.1,00,000/- should be raised in 03 (three) installments as below: -

- First Installment of 40,000/- on 15 January, 2024
- Second Installment of 30,000/- on 15 April, 2024
- Third Installment of 30,000/- on 15 June, 2024
